BLOGGSANDCO / PLAN A REALISTIC ROUTE

Your Thailand trip checklist

Fewer rushed transfers. More time for the places you choose.

01 Choose the route

- ☐ Write down arrival and departure airports and dates.
- ☐ Count usable days, paid nights and each hotel change.
- ☐ Choose one main experience for each base.

02 Check documents

- ☐ Check your passport, nationality and purpose of travel.
- ☐ Verify entry arrangements with the responsible authority.
- ☐ Check the official TDAC instructions and submission window.

03 Price the whole trip

- ☐ Add rooms, food, local travel and activities in THB.
- ☐ Include intercity tickets, baggage and airport transfers.
- ☐ Compare cancellation terms and keep contingency separate.

04 Book the journeys

- ☐ Confirm the actual station, pier or airport on each ticket.
- ☐ Check hotel location against your planned journeys.
- ☐ Leave a buffer before important onward departures.

05 Prepare for the day

- ☐ Check weather, sea warnings and operator notices.
- ☐ Confirm entry hours and costs with the venue.
- ☐ Keep a flexible alternative and useful contacts offline.

06 Before heading home

- ☐ Recheck departure terminal and carrier check-in rules.
- ☐ Allow for checkout and the complete airport journey.
- ☐ Keep tickets, documents and transfer details together.
